Dear sirs

I am writing to inform you of our objections to the new Morrisons situated on 2-4 Wharf road, Frimley Green, Camberley, Surrey GU16 6LE being granted such a wide ranging alcohol license.

We live adjacent to the new shop and share its post code. The suggestion that a shop could be open to sell alcohol from 0600 till 2400 on a residential road is ridiculous.

We are not happy that the shop should even be open such long hours.

It's situated on a busy road that does not allow parking. Deliveries will cause big disruption during the day and if in the early hours disruption to our lives.

I and my near neighbours strongly urge that you put restrictions on the selling of alcohol and opening times for this store.

Yours Sincerely

Thomas Gordon

Objection to Licensing application

I object to the alcohol licensing application being requested by the proposed Morrison's store in Frimley Green.

The application as displayed is for the sale of alcohol between 0600 and 2400. This seems to me to be unnecessary and unreasonable.

Who is going to be buying alcohol at 2400? It's not likely to be OAPs taking an evening tippie at home. It is rather more likely to be the outpourings of the local pubs topping up on cheap alcohol.

As a resident of Wharf Road, I already suffer the depredations of alcohol induced noise, petty vandalism and litter, notably on Friday and Saturday nights.

It is possible that the wording of the application is not meant to be taken literally and the posted hours are extreme limits, but as stated, they allow for the possibility of alcohol sale all day, every day, up until midnight. If alcohol is to be sold in Morrison's it would be sensible and considerate to neighbours to limit it to 2130, especially at weekends.
