Update

Item No.	Site address	Report Recommendation
4	23/0727/ADV Surrey Heath House Knoll Road Camberley Surrey GU15 3HD	GRANT, subject to conditions

Representations

One objection from a Parish Councillor has been made in relation to the proposed advert application. The full objection has been outlined below:

I wonder if the planning committee fully understand the political and ideological meaning behind this flag. The fact that it needs permission in the first place. This flag supports the erasure of a protected characteristic under the equalities act. Sexual orientation. The forced teaming of DSDs a genetic disorder of sexual development, a medical condition. Both gender ideology and Queer Theory propose the erasure of LGB as same sex attracted. In displaying this flag SHBC is showing support for a controversial ideological belief system that via the soon to close Tavistock centre led to the sterilisation and in some case physical damage to gay and autistic kids. It is my contention that SHBC is potentially bringing itself into disrepute in supporting an increasingly discredited ideological belief.

[Officer Comment: The comments that are raised are non-planning matters and are to be noted by the members only]
