COMMUNITY SERVICES - LICENSING				
Type of application: PREMISES LICENCE APPLICATION				
Date of Application: 23RD SEPTEMBER 2014				
I hereby submit this representation, because in my opinion the application does not adequately address the following licensing objectives: The prevention of public nuisance				
The reasons for my opinion are: <p>The application, if granted, would allow for drinking in outside areas which may cause noise nuisance/disturbance to neighbouring properties and may encourage customers to congregate until late at night as the site has a large recreational area. In particular condition 18 brings concerns relating to off sales and the use of alcohol off the premises. We would require a condition that stops consumption of alcohol off the premises at 9pm.</p> <p>Condition 20 raises concerns over the playing of live music and requires confirmation by the licensing committee with regard to this. Should live music be played it is likely to have a negative impact on neighbouring properties in the vicinity of the club house.</p>
