Re: License Application Tesco Stores Ltd 89 – 91 Guildford Road, Lightwater, Surrey, GU18 5SB

Dear Sirs

As Chairman of Lightwater Business Association I write to you on behalf of members and village residents to object to the above license application. Granting this license is not in the village interests and is against the governments licensing objectives. In particular:-

There are already 2 supermarkets within 30 meters of the site and a 3rd smaller shop 200 meters away. Allowing a 4th would unquestionably be over provision for our small village.

The requested hours of 06:00 – 23:00, Monday to Sunday are extreme by any stretch of imagination (reckless at most) and would without doubt increase alcohol purchase and consumption not only within the village but from outside as well when neighboring off sales premises close.

By this fact, the street scene would radically change; noise and disturbance would increase, traffic would increase, crime and disorder would increase particularly by youths, litter would increase, behavior issues would increase, 999 calls would increase.

Please bear in mind it was not long ago the LBA helped the Police introduce a section 30.

In consideration we strongly urge the committee to refuse this application and if not then certainly respect our right to some peace and quiet and limit the proposed hours to sensible moderate levels in keeping with the character of our village. I would not like to see all shops trading alcohol to ridiculous times.

Yours faithfully

Tim Salter

Re: License Application Tesco Stores Ltd 89-91 Guildford Road, Lightwater, Surrey, GU18 5SB

Dear Sirs

I write with regard to the above application and wish to voice my concern over the application to sell alcohol during the hours of 6am – 11pm Mon-Sun.

I have seen a copy of the letter sent to you by Tim Salter of the Lightwater Business Association and concur with his very well made points. Rather than duplicate them here, I simply wish to add the strength of my feelings regarding Lightwater's village character.

I am concerned about the likelihood of increased litter and loitering in the gardens opposite the Tesco site and congested parking along Guildford Road and All Saints Road. The gardens are beautifully maintained and the focal point of the village centre. I would very much like this attractive area to remain unspoiled by antisocial behaviour and further traffic disturbance.

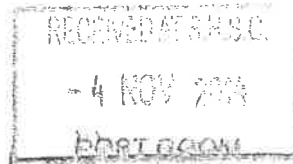

I believe Budgens (the main supermarket in the village) has the balance about right with its licensing hours and request that you take this into consideration in making your decision.

Yours faithfully,

Allan Perry

Dear Sirs,

Re: License Application Tesco
Stores Ltd. 89-91 Guildford Road
Lightwater GU18 5SB

I have recently received a copy of the Lightwater Business Associations' letter to you regarding the above mentioned Application. I whole heartedly agree with its contents and I am appalled by this irresponsible attitude of Tesco Stores - it is like unnecessary

to extend their licensing
hours beyond 18.00 hrs and
will indeed cause noise,
drunkenness, crime, litter,
increased traffic and general
disruption to our peaceful
village.

Please consider the outcome
should this application be
granted.

Thank you.

Yours faithfully,

(E. J. BOYCE-TOMKINS)
