Crime and disorder

The police have read the application and have noted that the condition relating to the CCTV is not adequate. The type of premises that are applying for this premises licence do suffer a great deal from offences of shoplifting and in almost all of the cases CCTV is very important to assist Police in tracing offenders. Camberley Police also carry out test purchase operations in the local area due to the intelligence received regarding underage drinking and fake identification cards that are in circulation. The Police believe that by imposing stricter conditions on checking identification cards and CCTV the crime and disorder issue would be greatly reduced. The Police recommend the following conditions for CCTV and identification cards

Prevention of crime and disorder

1) Appropriate digital CCTV equipment and a sufficient number of cameras shall be installed and maintained at the premises to record colour images that are clear enough to allow the Police to use them to investigate any crimes that are committed on the premises. The areas covered by the cameras will cover all areas within the premises that are open to the public
A camera will be positioned to obtain images of persons entering the building by the main entrance

2) No persons other than the Police, the licensing authority, the premise licensing holder the manager or authorised person shall have access to the CCTV recording equipment or the recordings made from such equipment. The CCTV system will be in operation and recording whenever the premises are open to the public.

3) Recordings made on the CCTV system shall be retained for a period of at least 30 days of recording

4) A minimum of 2 notices stating that CCTV is in operation shall be displayed throughout the premises where the public have access. The notices shall be at least A4 size

~~5)~~

The Protection of children from harm

1) The premises will only accept valid forms of identification such as photo driving licence, passport and home office approved id cards displaying the national proof of age standard scheme (PASS hologram
