M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

The Cambridge Hotel currently benefits from a premises licence which incorporates Club OneTwentyOne. In consultation with the Licensing Authority and responsible authorities, it has been agreed that it would be prudent for the two businesses, namely The Cambridge Hotel and Club OneTwentyOne, to have their own separate licences.

The premises is located within a Cumulative Impact Zone however, this application seeks to replicate the current licence for the area known as The Cambridge Hotel in terms of licensable activities and hours (save for bringing the Sunday hours in line with the rest of the week, beginning licensable activities from 10am and providing for an earlier breakfast opening from 7am including the showing of films and recorded music), but with an up to date operating schedule.

The conditions listed in the operating schedule below have been agreed with PC Rab Carnie of Surrey

Police and we feel that the addition of these new conditions will promote the licensing objectives and, as a result, the grant of this application for a new premises licence will not adversely impact upon the licensing objectives.

b) The prevention of crime and disorder

Appropriate digital CCTV equipment and a sufficient number of cameras shall be installed and maintained at the premises to record colour images that are clear enough to allow the Police to use them to investigate any crimes that are committed on the premises. The areas covered by the cameras will cover all areas and corridors within the premises that are open to the public. A camera will be positioned to obtain images of persons entering the building by the two main entrances
 - a) No persons other than the Police, the licensing authority, the premise licensing holder the manager or authorised person shall have access to the CCTV recording equipment or the recordings made from such equipment. The CCTV system will be in operation and recording whenever the premises are open to the public.
 - b) Recordings made on the CCTV system shall be retained for a period of at least 30 days of recording
 - c) A minimum of 2 notices stating that CCTV is in operation shall be displayed throughout the premises where the public have access. The notices shall be at least A4 size.

5. The company operates a policy of zero tolerance with regards to drugs.

We understand our obligations under existing legislation and take our responsibilities seriously.

d) The prevention of public nuisance

1. Reasonable steps will be taken to recognise the rights of local residents and to encourage customers to leave the premises quietly.
