

## **Annex 1 – Motion to Full Council to review the policy for distribution of CIL Funding**

The Council is asked to RESOLVE to ask the Executive to review the policy for distribution of CIL funding, taking into account the following recommendations:

- (i) each ward be allocated 45% of CIL generated from development in the ward, inclusive of the 15 or 25% statutory allocation to Parish Councils, and the current 15% non parished ward allocation established by this Council;
- (ii) the CIL balance above the amounts currently issued for parished or non parished wards be held by the Borough in ward CIL accounts;
- (iii) the consultation process to identify needs and improvements to infrastructure to deliver priorities reflected from consultations be reviewed, to include:
  - (a) a central role for ward councillors consulting with residents;
  - (b) Officers engaging appropriate authorities and agencies responsible for infrastructure and service provision to deliver the infrastructure;
  - (c) a central role for ward councillors engage with adjoining Ward Councillors to identify infrastructure concerns and opportunities to mitigate effects of development; and
- (iv) any unspent CIL money in the Ward accounts to be returned to the Borough general CIL fund if unspent in the statutory timescale
