41/C Medium Term Financial Strategy and Annual Budget 2023/24

The Council considered a report setting out the Medium Term Financial Strategy (MTFS) 2023/24 to 2026/27, the revenue budgets estimates for the 2023/24 financial year, the indicative estimates for the period 2023/24 to 2026,27, a 4-year capital strategy and programme, plus the Treasury Management Strategy for 2023/24.

The Leader, in presenting the budget for 2023/24, referred to the financial context of the budget, including financial pressures on Council services, which primarily came from the unusually high rates of inflation. He referred to the savings already identified in the budget, the proposed use of reserves, along with the increased income and efficiency savings targets of £500,000 that would need to be found in 2023/24. It was reported that the budget included an increase to Council Tax of £2.99 a year on a Band D property.

It was moved by Councillor Alan McClafferty and seconded by the Councillor Robin Perry that the recommendations as set in the agenda report be approved.

It was moved by Councillor Sashi Mylvaganam and seconded by Councillor Cliff Betton that the recommendations be amended as set out in the published alternative budget from the Liberal Democrat Group. The proposals in the alternative budget related to the extension of the Medium Term Financial Strategy by a further three years to cover the period of an annual budget for the financial year 2023/24 and indicative budgets for each of the following six years 2024/25 to 2029/30. It was advised that the proposal included in the published alternative budget to provide a Council Tax rebate for the increase to the Surrey Heath

precept for Bands A to D would not be included in the amendment moved at the meeting. Following debate, the amendment was put to the vote and lost.

RESOLVED

45/C Motions

It was moved by Councillor Robin Perry and seconded by Councillor Edward Hawkins that

“this Council

- (i) notes that
 - (a) HMG awarded a new contract to audit local authority annual accounts to BDO, through Public Sector Audits Appointments (PSAA) in 2020;
 - (b) with the much publicised pressures across the whole Local Government Audit system that are the result of staffing and capacity issues within those audit firms, many Councils like Surrey Heath are experiencing significant delays in the completion of the audits on their accounts;
 - (c) having outstanding unaudited accounts, falsely and unnecessarily undermines confidence in the finances of all those Councils, including Surrey Heath;
 - (d) recognising that staff turnover issues in the finance team contributed in part to the initial delays in the process, despite subsequently expending many hours working with the Auditors, actively supporting them and responding to their queries as part of the standard audit process and receiving multiple re-start dates, disappointingly the 2019/20 audit has still not been completed by the current external auditor;
 - (e) despite having been prepared diligently and in a timely manner, the external auditor has yet to start work on the audit of accounts for 2020/21. This delay has also impacted the preparation of the 2021/22 accounts;
 - (f) it has already incurred significant expenditure retaining temporary staff with the historic knowledge and experience required to respond to queries relevant to the outstanding annual accounts; and
- (ii) asks the Leader of the Council to write formally to the Secretary of State for Levelling-up Housing and Communities to seek his assistance in:
 - (a) enabling the PSAA to offer the Council the appointment of an alternative audit company that has the necessary capacity to complete the above audits, or
 - (b) releasing the Council from the requirement to use the currently appointed auditors (BDO) under the existing national Public Sector

Audits Appointments (PSAA) arrangement for the audit of its annual statement of accounts for financial years 2019/20, 2020/21, 2021/22 and 2022/23 until the new PSAA arrangement commences from 1 April 2023, to allow the Council the option of securing new external auditors from PSAA or otherwise, that have the capacity and capability to complete the outstanding audit of accounts.”

The Council debated the motion and referenced the myriad of reasons that had impacted the audit of the 2019/20 accounts. Concerns were raised about the potential implications associated with changing auditors, in particular in relation to the additional costs that could be incurred. However, it was also suggested that, at this stage, the only decision sought, and consequently the only cost to the Council, was the letter to the Secretary of State.

RESOLVED that this Council

(i) notes that
