Planning Applications Committee

Update

Item No.	Site address	Report Recommendation
5	23/0347/FFU Hagthorne Cottage Nurseries, Lucas Green Road, West End GU24 9LZ	GRANT, subject to conditions

The case law referred to, at Paragraph 7.3.3 of the Agenda report, is attached at Annex 1.

One further representation has been received from an owner/occupier stating that they were not notified of the planning application (Officer comment: It is not stated where they live but they have confirmed that they live less than 200 metres from the site. It is a requirement that all properties adjoining the application site are notified and this was undertaken).

Delete current wording of Condition 8 at Page 34 of the Agenda (as this is a duplication of Condition 7) and replace with Condition 17.
