26/E Questions by Members

The Leader responded to a question from Councillor Rodney Bates concerning the housing of Syrian refugees in the borough.

27/E Bagshot Conservation Area Appraisal and Management Proposals

Section 71 of the Planning (Listed Building and Conservation Areas) Act 1990 required local planning authorities to formulate and publish proposals for the preservation and enhancement of conservation areas. In response to this statutory requirement, a Conservation Area Appraisal and Management Proposals document for the Bagshot Village Conservation Area had been prepared.

The Executive was reminded that, at its meeting on 6 January 2015, it had agreed to the undertaking of a targeted, six-week consultation on the draft version of this document and a proposed alteration to the Bagshot Village Conservation Area boundary. A final version of the document had now been prepared, taking into account comments received during the consultation as appropriate. It was intended that this document would replace the Bagshot Village Conservation Area Statement (1997), which was now considered to be out of date in form and content.

**RESOLVED to adopt the Bagshot Village Conservation Area
Appraisal and Management Proposals document and the proposed
alteration to the Bagshot Village Conservation Area boundary.**
