

Urgent Action

Portfolio	N/A
Ward(s) Affected:	n/a

Purpose

To note urgent action taken under the Scheme of Delegation of Functions to Officers.

Background

1. The Scheme of Delegation of Functions to Officers provides for officers to determine, after appropriate consultation, matters of an urgent nature which are not in contravention of established policies of the Council, budgets set, or being key decisions, which will not admit of delay until the next ordinary meeting of the Council, Executive or Committee concerned. All such decisions which are council matters have to be reported to the next meeting of the Council.

Current Position

2. In accordance with the Scheme of Delegation of Functions to Officers, the Executive Head of Regulatory has authorised amendments to the Scheme of Delegation in relation to the granting of delegated authority to accommodate the changes to the General Permitted Development Order which came into effect on 30 May 2013. The Mayor, the Chairman of Planning Applications Committee, and the Regulatory Portfolio Holder have been consulted.

Resource Implications

3. There are no additional resource implications relating to the grant of delegated authority.

Recommendation

4. The Council is advised to NOTE the urgent action taken under the Scheme of Delegation of Functions to Officers

Attachments

The Urgent Action authorisation attached at Annex A.
