

Committee Work Programme

Portfolio:	Corporate
Ward(s) Affected:	n/a

Purpose

To consider a Committee Work Programme for the municipal year 2013/14

Background

1. The External Partnerships Select Committee was appointed by the Council at its annual meeting on 16th May 2012 for the period 2012/13.
2. Part 4 of the Constitution requires the Committee to agree a work programme for the municipal year.
3. The Committee Work Programme will develop through the forthcoming municipal year, to meet new demands and changing circumstances. The Committee will be expected to review its work programme from time to time and make minor amendments as required.

Work Programme 2013/14

4. Annex A contains a list of issues and organisations to be considered for scrutiny.
5. The Committee is asked to consider the proposed Work Programme attached at Annex B which could be implemented if the Committee is re-established at Annual Council on 15 May 2013.
6. The Committee is responsible for the scrutiny of the Health Panel and the Police and Crime Panel. It is also the Council's designated Crime and Disorder committee and will therefore receive regular updates on community safety in the borough from the Neighbourhood Inspector, Martin Goodwin.

Proposal

7. The Committee is asked to consider the list of issues, any priority required and to give an indication of which issues should be brought to future meetings.
8. A list of issues and organisations to be considered for scrutiny during the municipal year is attached at Annex A. A proposed schedule of items for 2013/14 is attached at Annex B.

Resource Implications

9. Resource implications will depend on the issues brought before the Committee. The implications both in terms of prior to/during the meeting and any resultant work will have to be assessed when individual meetings are planned and the Committee decisions are known.

Recommendation

10. The Committee is asked to consider the list of issues to be considered during the year and agree a work programme for the 2013/14 municipal year.
