Please summarise your concerns about this application
<p><u>Prevention of Crime</u>, There are ALREADY two stores selling Alcohol on the same street as well as a Public House. This proposed new store will ONLY ADD to the number of people purchasing Alcohol, only promoting Anti Social behaviour.</p> <p><u>Public Safety</u> These establishments only attract Gatherings of people blocking pavements / roads / cycle path which run outside putting the safety of the public at risk.</p>

Please give further details of why you believe this application will have an adverse effect on the licensing objectives

The Prevention of Public Nuisance

This is a Residential Area it is noised enough with 2 stores selling Discounted Alcohol. Already there is a increase in Litter.

This will only increase the Levels of Litter / noise.

The Protection of children from harm

Have already had several examples of Anti Social Behaviour by Residents towards my children.

These Discounted Alcohol stores only attract customers of this. its unacceptable to have yet another store to promote this.
