Dear Resident

Community Governance Review

Surrey Heath Borough Council is carrying out a Community Governance Review on the future parish arrangements for Windlesham Parish Council. Four options have been included in the Terms of Reference, as follows:

1. Option 1 - To create a new parish in Windlesham and create a new Parish Council covering the area.
2. Option 2 - To re-instate an equal number of councillors representing each village within Windlesham Parish Council.
3. Option 3 - To create a new parish ward for North Windlesham and amend the councillor representation in the parish wards to best reflect electoral equality in the parish.
4. Option 4 - To make no change to the current arrangements.

These are the options the Council is proposing but you are welcome to suggest any alternative options you consider appropriate.

Further details, including a copy of the Terms of Reference, can be viewed at www.surreyheath.gov.uk/elections. Alternatively, you can view a hard copy of the Terms of Reference at Surrey Heath House, Windlesham Parish Council Offices, or Hillview Convenience Store, Chertsey Road.

Background information on the review can also be found in the paperwork for the Council meetings on 27 February 2019 and 24 July 2019 and can be viewed at www.surreyheath.gov.uk

Although you might not be directly affected by the review, there may be consequential effects for you as a resident of the Parish. I encourage you to consider the proposals

and send any representations to the Council, using the contact details above. All representations will be considered and used to determine a recommended option, which will be subject to a further consultation.

Please send any responses to this consultation by midnight on Monday, 28 October 2019.

Yours faithfully
