Subject: RE: New Premises Licence Application

Hi

Planning has no representations to make as we'll consider these changes under the planning process.

The lawful use of the site is for a nursery and whilst this included ancillary function what is now being proposed is likely constitute a part change of use requiring planning permission. I believe that the applicant has already been advised of this by Corporate Enforcement.

Kind regards
Jon

Subject: New Premises Licence Application

Dear All,

Please find attached a new premises licence application and plans for Lavershot Barns (formerly Wyevale Garden Centre) London Road, Windlesham GU20 6LL.

The final day of the public consultation is 12/02/2020.

Kind regards, Paula Barnshaw
