**APPLICATION NO.** SU/19/2182

**SITE:** 24 Park Avenue, Camberley, Surrey GU15 2NG

I refer to the above planning application which appears to affect a road for which Surrey County Council is the Highway Authority. You have requested our consideration of the highway and transport issues associated with this development, before I am able to provide a full response, I require the following information from the Applicant:

An amended visibility plan has been provided which shows visibility will be restricted by the trees fronting the site. A speed survey should be undertaken which shows the 85th percentile speed in order to ascertain whether a reduction in the 'y' splay would be accepted in this location. Please note, due to the current Covid-19 situation, for speed surveys to fully reflect 'normal' road conditions, these can only be carried out once lockdown is lifted.

Please request that the Applicant provides the above amendments/information in sufficient time so that we may respond before your deadline for determination. Please ensure that the response to this letter is in writing and all appropriate documentation, as requested, is attached.

Regards,

Matthew Strong
