I write to lodge my objection to the above license application.

I live at The Bear House, which is next door to Lavershot Barns.

Since the restaurant opened we have been constantly bothered by noise and lights arising from it.

It is wrong for the application to say that there have been no objections as I have had to contact The Wooldridge Company on many occasions. Just glancing at my emails and messages I can list

15.07.2020 - 23.31 hrs

11.09.2020 - 12.49 am

16.10.2020 - 23.21 hrs

18.10.2020 - 23.00 hrs

4.11.2020 - 23.48 hrs

There are many more I can list. I also have videos of the shouting, cars revving etc in the carpark under our bedroom window.

It cannot be reasonable to give a licence to serve alcohol 7.30am to 11.30pm, 7 days a week in a residential area - I'm sure you wouldn't like it outside your bedroom window!

I would also like to point out that we have been in lockdown the past year and the restaurant has been closed which is why there are not more objections.

We are now not able to have our windows open at night without being disturbed and I believe this is an infringement of our right to enjoy our house and garden.

At our meeting with The Wooldridge Company we were promised only 3 late nights and that guests would be guided to park near the restaurant. This did not happen and I believe this shows that outside music and dancing will also not be controlled in a way that is sympathetic to neighbours.

I look forward to hearing from you.
