Draft Rushmoor Local Plan: Preferred Approach
June 2015

Consultation Comment Form

We are inviting you to take part in the consultation on the draft Rushmoor Local Plan Preferred Approach. This document sets out the vision for the borough and approach to development up until 2032.

The six week consultation period will run from Monday 8th June to Monday 20th July 2015. Comments should be received by 5pm on the closing date.

When adopted, the Local Plan will play an important role in shaping Rushmoor’s future – how our towns will develop, protecting and enhancing our natural environment, developing our local economy, improving leisure and visitor facilities and supporting more sustainable forms of travel.

The draft Local Plan Preferred Approach contains a vision and objectives for the Borough up until 2032 and includes a series of policies under category heading. For most policies, the Council has identified its preferred approach and discounted options.

We would encourage you to comment online at www.rushmoor.gov.uk/newlocalplan

### Section Two: Your Representation
Question 1: The vision and objectives

The draft Local Plan Preferred Approach vision should be both aspirational and achievable and set out the kind of Borough we will strive to become by 2032. To deliver the vision, eleven objectives are set out in the document. The vision and objectives for the Local Plan Preferred Approach have been developed from a range of strategies and through engagement with stakeholders.

a) Do you think that the vision of the draft Local Plan Preferred Approach depicts / sets out the Borough that communities would want to be living and working in by 2032?

YES  NO  

Comments Box

There is a need to consider how Rushmoor’s objectively assessed housing need could be better met within the borough. Regard will need to be given to the constraints within Surrey Heath when considering how any remaining objectively assessed housing need can be met within the Housing Market Area.

There is a need to ensure that any retail regeneration of Aldershot and Farnborough does not have a detrimental impact on Camberley Town Centre.

b) Do you think that the strategic objectives of the draft Local Plan Preferred Approach identify the things that the borough needs to meet the vision for 2032?

YES  NO  

Comments Box

There will be the need to undertake more detailed infrastructure delivery and viability work as the plan progresses
**Question 2: The Local Plan Policies**

Please state using the comments boxes below which paragraph or policy of the draft Local Plan Preferred Approach you are commenting upon.

Please indicate which part of the document on which you are commenting, and use one box per comment (issue): *(please create more comment boxes if you need to)*

1.1 It is noted that the Issues and Options consultation indicates that Rushmoor will only be able to deliver circa 8,200 dwellings over the plan period, which is some 1,600 dwellings below their objectively assessed need.

1.2 The NPPF recognises that there may be specific policy constraints such as The Habitats Directive and land designated as Green Belt which indicate that development should be restricted. Whilst Surrey Heath will seek to meet its objectively assessed need, the borough is impacted by both these constraints and will not be in a position to meet unmet need in another authority within the Housing Market Area, including Rushmoor’s unmet need.

1.3 In taking forward any regeneration of Farnborough and Aldershot there may be an opportunity for further residential development to come forward through regeneration and this option should be considered in more detail by Rushmoor.

Surrey Heath Borough Council supports the approach of identifying strategic and locally important employment areas. This reflects the Joint Employment Land Review (2015) undertaken by Surrey Heath, Rushmoor and Hart. This approach will help ensure the opportunities for economic growth and retention of business in the Blackwater Valley area.

Whilst there is support for the approach of maintaining the vitality and viability of town centres within the Blackwater Valley this approach needs to ensure that the retail hierarchy in the Blackwater Valley is retained. In the Rushmoor Retail Study the Venuescore Retail Shopping Index (2013) indicates
that Camberley is a regional location grade with Farnborough a sub-regional location grade and Aldershot a major district grade. Any redevelopment of Farnborough and Aldershot Town Centres should not have a detrimental impact on Camberley Town Centre which is recognised as a Step-up town by the EM3 LEP.

To ensure the amenity of local residents Surrey Heath Borough Council supports the approach set out in the Preferred Options at:

- Option SP4 Which seeks to retain the current permission for annual traffic movements including those at weekends and Bank Holidays
- Option SP4(1) Which limits the types of flying acceptable at Farnborough Airport
- Option SP4(2) Which seeks to limit noise and flying at weekends and Bank Holidays
- Option SP4(3) which limits the hours of operation
- Option SP4(4) which limits the weight of aircraft
- Option SP4 (5) Which deals with safety issues
